DOD LIMITED WARRANTY

1. The warranty registration card must be mailed within 10 days after purchase data to validate this warranty.
2. DOD warrants this product, when used solely within the United States, to be free from defects in material workmanship under normal use and service.
3. DOD Electronics liability under this warranty is limited to repairing or replacing defective material that show evidence of defect, provided the product is returned through the original dealers, where all parts and labor will be covered up to a period of three years. The company shall not be liable for any consequential damage as a result of the product's use in any circuit or assembly.
4. Proof of date of purchase is considered to be the burden of the consumer.
5. If this product is battery operated: Batteries are not covered by this warranty—Please remove weak or dead batteries in order to prevent corrosion damage.
6. DOD reserves the right to make changes in design or to make additions to or improvements upon this product without incurring any obligation to install the same on *product previously manufactured*.
7. The foregoing is in lieu of all other warranties express, or implied, and DOD neither assumes nor authorizes any person to assume for it any obligation or liability in connection with the sale of this product. In no event shall DOD or its dealers be liable for special or consequential damages or for any delay in the performances of this warranty due to causes beyond their control.
